**Interior and Exterior  
Surface Coatings**

# Interior and Exterior Surface Coating Options.

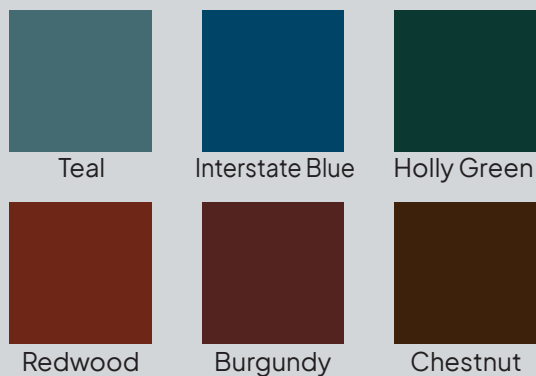

## Earthtones:

Subtlety for the 21st Century

## Authentic Shades :

Deepened hues that draw from palettes of the past.

Custom Color Matching Available.

## Monotones:

A neutral spectrum to add contrast.

## Textured:

Industrial Dimension and depth.

C600 Windows and Doors can be finished with different colors inside and out.

## Resembles:

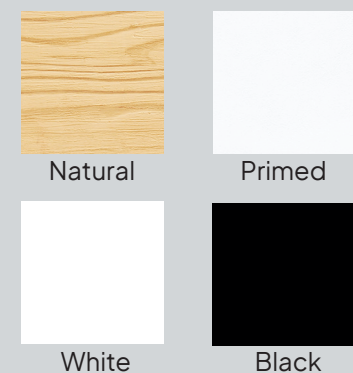

A modern and consistent approach to replicate an anodized finish.

Class I Anodized:  
High-performance,  
specialized anodic  
coatings. An alternative to  
Quaker Resembles.

## Interior Finish Options\*

Factory Prefinish Options include Paints and Primer.

\* Interior Finish options available with W600 Windows only.

Actual Colors could vary from samples shown due to differences in print and production manufacturing processes.
